mixed media art camp

for youth entering 4th through 8th grades

Art as a Spiritual Connection™ is a new kind of art camp experience for youth entering 4th through 8th grades. Deeply rooted in contemplative spirituality (living in the moment), the program uses art medium as a ground for a relationship with the Divine.

Designed to be a small, high-quality camp open to mixed media art exploration, **Art as a Spiritual Connection™** works with four concepts found in the spiritual life:

1. Art is universal – **art is for all**
2. Art takes time – **art is created layer by layer**
3. Art requires practice – **art is a daily practice**
4. Art builds community – **share what you know**
