The Art of Love

The Art of Love™ is a new kind of art camp experience for children ages 6 to 9 (first through third grades). Deeply rooted in contemplative spirituality (heart centered, mindfulness), the program invites children to reconnect to God through nature and to use LOVE, the energy of the heart, to heal the world.

Mixed Media Projects: acrylic and watercolor painting, collage, polymer clay, the art of mandalas, sand work and reclaimed objects.

The Mornings will be filled with art making, spiritual lessons and healing practices with the earth.
